- 06 **ADD POSSIBILITIES** to projects
- 08 **ADD** a touch of **COMFORT**
- 10 Catalogue pages

# ADD DETAILS that matter

Good design doesn't always have to be complex. With **ELOÉ™**, it combines details that make sense and add to the overall experience – for both users and installers.

**SUBTLE CURVES**  
Rounded corners and curves add a touch of elegance.

**STRONG PROFILE**  
Clean lines and a distinct shape enhance the visual appeal of **ELOÉ™**.

## Superior design and quality

**LARGE ROCKER**  
Ergonomically designed for a great user experience

**GLOSSY FINISH**  
Smooth glossy surface makes cleaning fuss-free.

**COMPLIANT WITH STANDARDS**  
**ELOÉ™** is designed to meet international standards – IEC and BS.

**DESIGNED TO LAST**  
Even the concealed functional parts have been carefully designed.

# ADD VALUE to your productivity

No matter how unpredictable the conditions at your worksite may be, **ELOÉ™** takes the uncertainty out of your project by making every installation simple, fuss-free, safe, on time – and on budget.

**EASY  
QUICK**

**TIME SAVING**  
Large terminal capacity allows for quick and easy wiring and connection to multiple outlets.

**ROBUSTNESS**  
Ribbs make the switch sturdy.

## Easy installation

**UNIVERSAL SCREW HEADS**

For both wiring and adjusting **ELOÉ™**, you need only one screwdriver head to get the installation done.

**FLEXIBILITY**  
Oblong shaped holes ensure flexibility for easy adjustment when the switch is not straight.

**EASY TO ORDER**  
1 catalogue number = 1 complete product

**SAFE AND FAST INSTALLATION**  
No access to metal parts ensures your safety during installation. The one-piece plate/mechanism also means that installation can be completed in three simple steps.

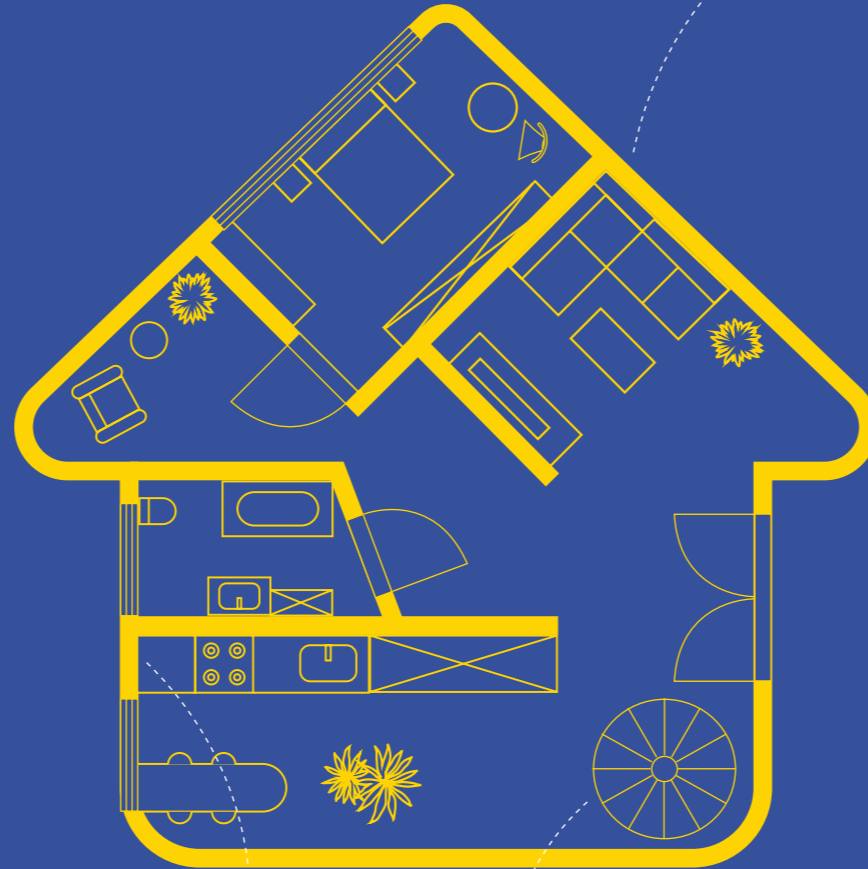

# ADD POSSIBILITIES to projects

Whether you are working on an integrated development or a straightforward build, **ELOÉ™** provides the functions you need.

The splash-proof cover allows a 1-gang **ELOÉ™** mechanism to be installed in outdoor environments. It also ensures protection against dust. With plug engaged, IP55 protection is maintained.

1-gang British standard 13A socket with USB Type-C charger and IP55 cover

## Versatility for modern living

**UNIVERSAL DIMMER SUITABLE FOR ALL MODERN LOADS**

Dimmable LEDs

Dimmable compact fluorescent lamps

Incandescent and halogen lamps

Halogen lamps with electronic or ferromagnetic transformer

4-gang switch

1-gang British standard switched 13A socket with USB Type-A charger

2x4-gang switch in 2-gang box

Adapter for Arteor mechanism

Electronic room thermostat

HDMI socket

There is no settling for less. **ELOÉ™** works both independently and with the Arteor range. The Arteor adapter offers versatility for your every need – residential, commercial and hospitality projects.

# ADD a touch of COMFORT

Comfort is the cornerstone of any hospitality project. That is why the **ELOÉ™** range provides dedicated hospitality functions for enhancing experiences in both guest rooms and shared spaces.

Key card switch

2-gang British standard switched 13A socket with USB Type-A & Type-C dual charger

With this multipurpose socket, you can leave it to **ELOÉ™** to power and charge up your devices while you recharge yourself.

## Better hospitality experiences
